### PHYSICIAN COURSE DESCRIPTION/OBJECTIVES:

This program has been developed from physician forums, member evaluations and comments in an effort to provide the latest information to KAEPS members on practice management and legislative issues effecting their practice. Comprehensive ophthalmologists as well as subspecialists will benefit from attendance.

At the conclusion of this course, participants should be able to:

1. Discuss ICD10 coding and be familiar with the crosswalk from ICD9
2. Discuss the impact of legislation, both federal and state, on quality patient care in Kentucky
